# Virtual Internship in Data Science

## Follow these step-by-step instructions to access the Data Science Virtual Internship Hub!

**STEP 1:** Click the below link to access the **Data Science Virtual Internship Hub**. This is your destination for all Data Science internship details, communication and learning material. **If you have registered for an internship in a domain other than Data Science, please refer to the specific guide for that domain.**

**CLICK HERE!!  
DATA SCIENCE  
VIRTUAL INTERNSHIP HUB**

A screenshot of the OpenWeaver website. At the top, there are navigation tabs for 'OpenWeaver', 'kandi', and 'Community'. The 'OpenWeaver' tab is active. Below the navigation, there is a search bar and a 'Log In' button. The main content area features a purple header with a database icon and a welcome message: 'Welcome to the **Data Science Virtual Internship Hub**! If you have registered for an internship in a domain other than Data Science, please click [HERE](#) to direct yourself to the correct hub. This is your destination for all Data Science internship details, communication and learning material. So look no further! **Bookmark this page, your weekly actions are here.** If you want to plan ahead, save your [Personalized Calendar](#) so you dont miss Bootcamps and important deadlines! If you have missed any communication, check your [Email hub](#) for past updates. **WHAT'S NEW** - Take the [EXPLORER QUIZ](#) and earn your **2nd Badge - Data Science Explorer!** Share and win exciting prizes! [#Ready2GoDigital](#)'. Below the text, there are navigation buttons for 'ICT Academy - Virtual Internship Program', 'Data Science', 'all tags', 'Latest', and 'Top'. At the bottom, there are tabs for 'Topic', 'Replies', and 'Activity'.

**STEP 2:** You will be prompted to SIGN UP/SIGN IN. **Sign up using ONLY the email address you used to register for this program. Your attendance in the program will not be recorded if you use a different email address to sign up/sign in.**

**STEP 3:** As we have already provided your registered email address exclusive access to your Virtual Internship Hub, you will be prompted to **Sign In** by resetting your password. To reset your password, click on **Forgot Password.**

**STEP 4:** Enter your registered email address and click on **‘Email Reset Link’**. A password reset link will be sent to your registered email address.

The screenshot shows the 'Forgot your Password' page on the kandi website. At the top, there is a navigation bar with 'OpenWeaver', 'kandi', and 'Community' tabs. On the right, there are 'Sign in' and 'Sign up' buttons. Below the navigation bar is a dark purple header with the 'kandi' logo, a search bar containing the text 'Search for Code Snippets, Libraries, Kits', and a red 'Find' button. To the right of the search bar are links for 'Explore' and 'My Space(0)'. The main content area has a light gray background with the heading 'Forgot your Password'. Below this heading is a label 'Your Email' above a text input field containing a redacted email address. A blue button labeled 'Email Reset Link' is positioned below the input field.

This screenshot shows the same 'Forgot your Password' page after the user has submitted their email. The heading 'Forgot your Password' is still present. Below it, the text 'Check your email' is displayed. A message follows: 'We've sent you an email with a link to reset your password. Remember to check your spam inbox if you can't find it.' At the bottom of this section is a blue button labeled 'Go to Sign in'.

**STEP 5:** Check your email – you would have received an email from **kandi Support** with a password reset link. Check your spam folder if you are unable to find the email in your inbox.

**STEP 6:** On clicking the link, you will be prompted to **set a new password**. Set a new password with a minimum of 8 characters having a mix of letters and numbers.

**STEP 7:** Enter and confirm your new password and click on **Update Password**. You should see a message confirming your password has been successfully updated.

The screenshot shows the 'Set a new password' form on the kandi website. The navigation bar at the top includes 'OpenWeaver', 'kandi', and 'Community' tabs. The kandi logo is on the left, and a search bar with the text 'Search for Code Snippets, Libraries, Kits' and a 'Find' button is on the right. The main content area is titled 'Set a new password' and contains two input fields: 'New Password' and 'Confirm New Password', both with masked characters. A blue 'Update Password' button is positioned below the fields.

**STEP 8:** Go ahead and sign in using your registered email address and the new password you just set.

The screenshot shows the 'Set a new password' form on the kandi website after a successful password update. The navigation bar and search bar are the same as in the previous screenshot. The main content area is titled 'Set a new password' and displays a success message: 'You've successfully updated your password!'. A blue 'Go to Sign in' button is located below the message.

**STEP 9:** On signing in, you will have access to your **Data Science Virtual Internship Hub!** This is your destination for all Data Science internship details, communication and learning material. So, look no further!

**STEP 10 :** **BOOKMARK this page!** Attend live bootcamps, participate in exciting quizzes, complete your coding projects and collect and showcase your BADGES all through!

**ALL THE BEST!**
