# Virtual Internship in Full Stack Development

## Follow these step-by-step instructions to access the Full Stack Development Virtual Internship Hub!

**STEP 1:** Click the below link to access the **Full Stack Development Virtual Internship Hub**. This is your destination for all Full Stack Development internship details, communication and learning material. **If you have registered for an internship in a domain other than Full Stack Development, please refer to the specific guide for that domain.**

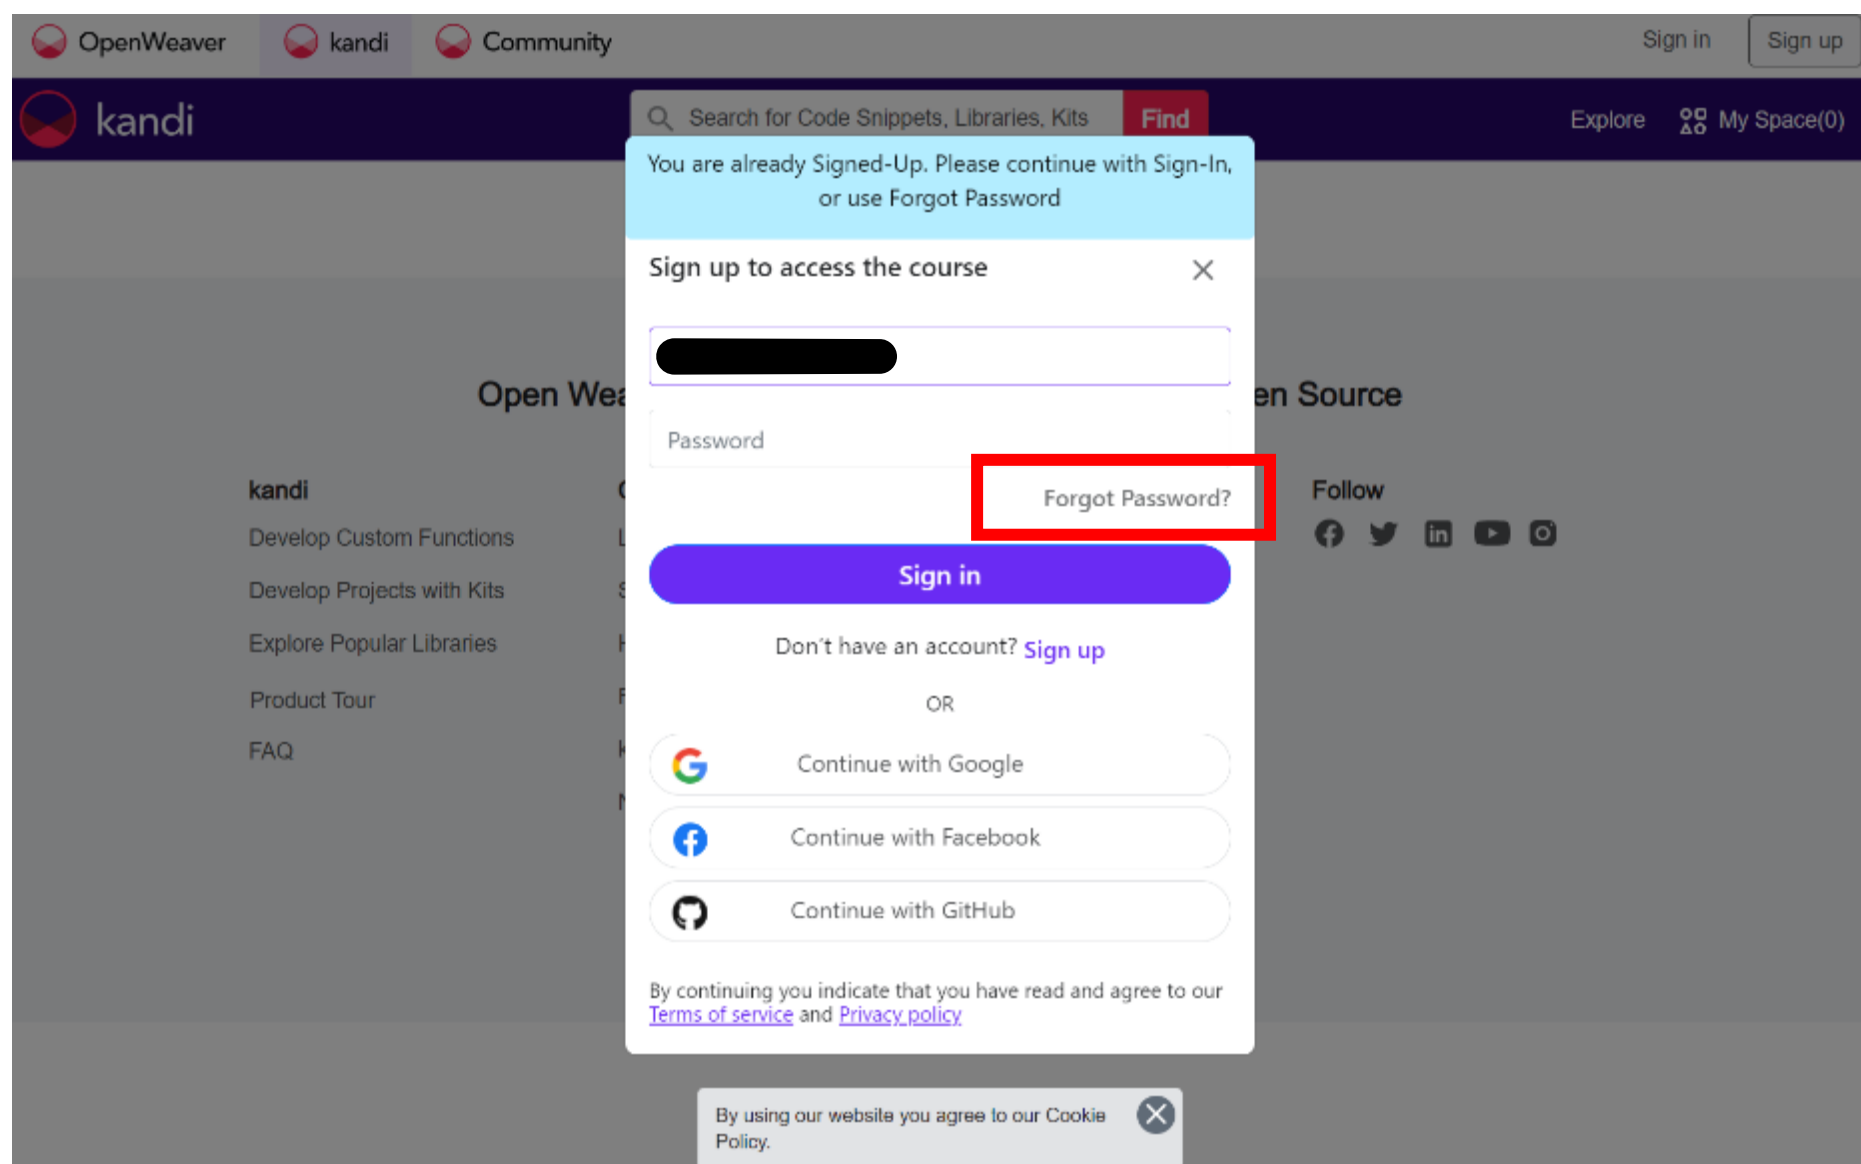

**CLICK HERE!!  
FULL STACK DEVELOPMENT  
VIRTUAL INTERNSHIP HUB**

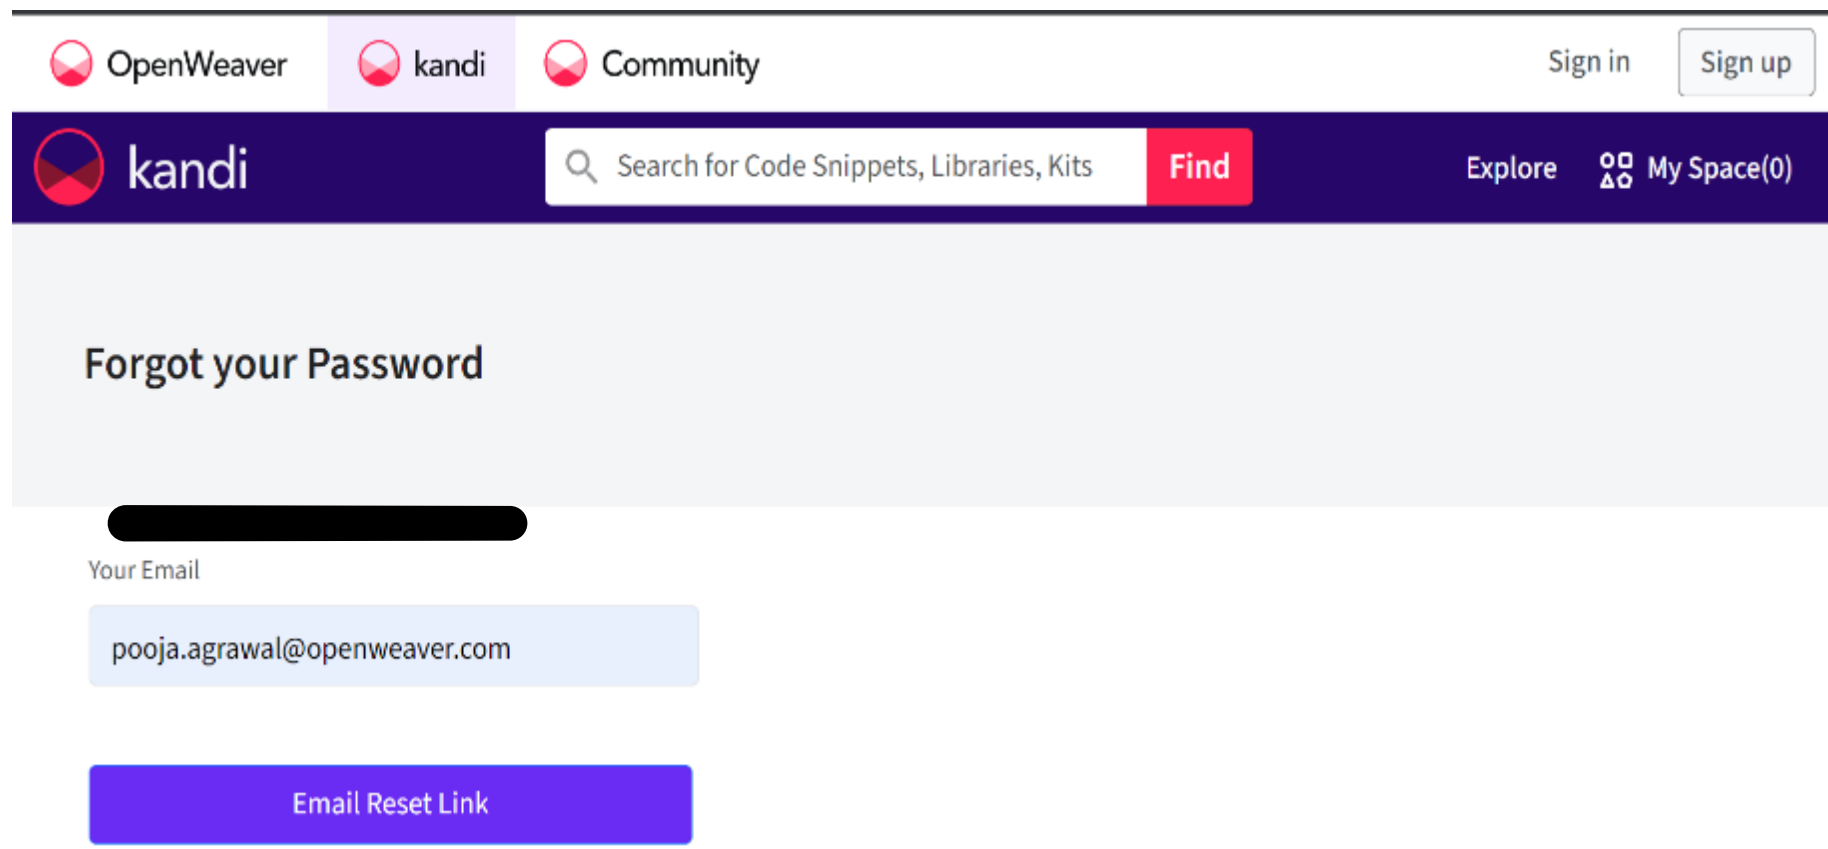

**STEP 2:** You will be prompted to SIGN UP/SIGN IN. **Sign up using ONLY the email address you used to register for this program. Your attendance in the program will not be recorded if you use a different email address to sign up/sign in.**

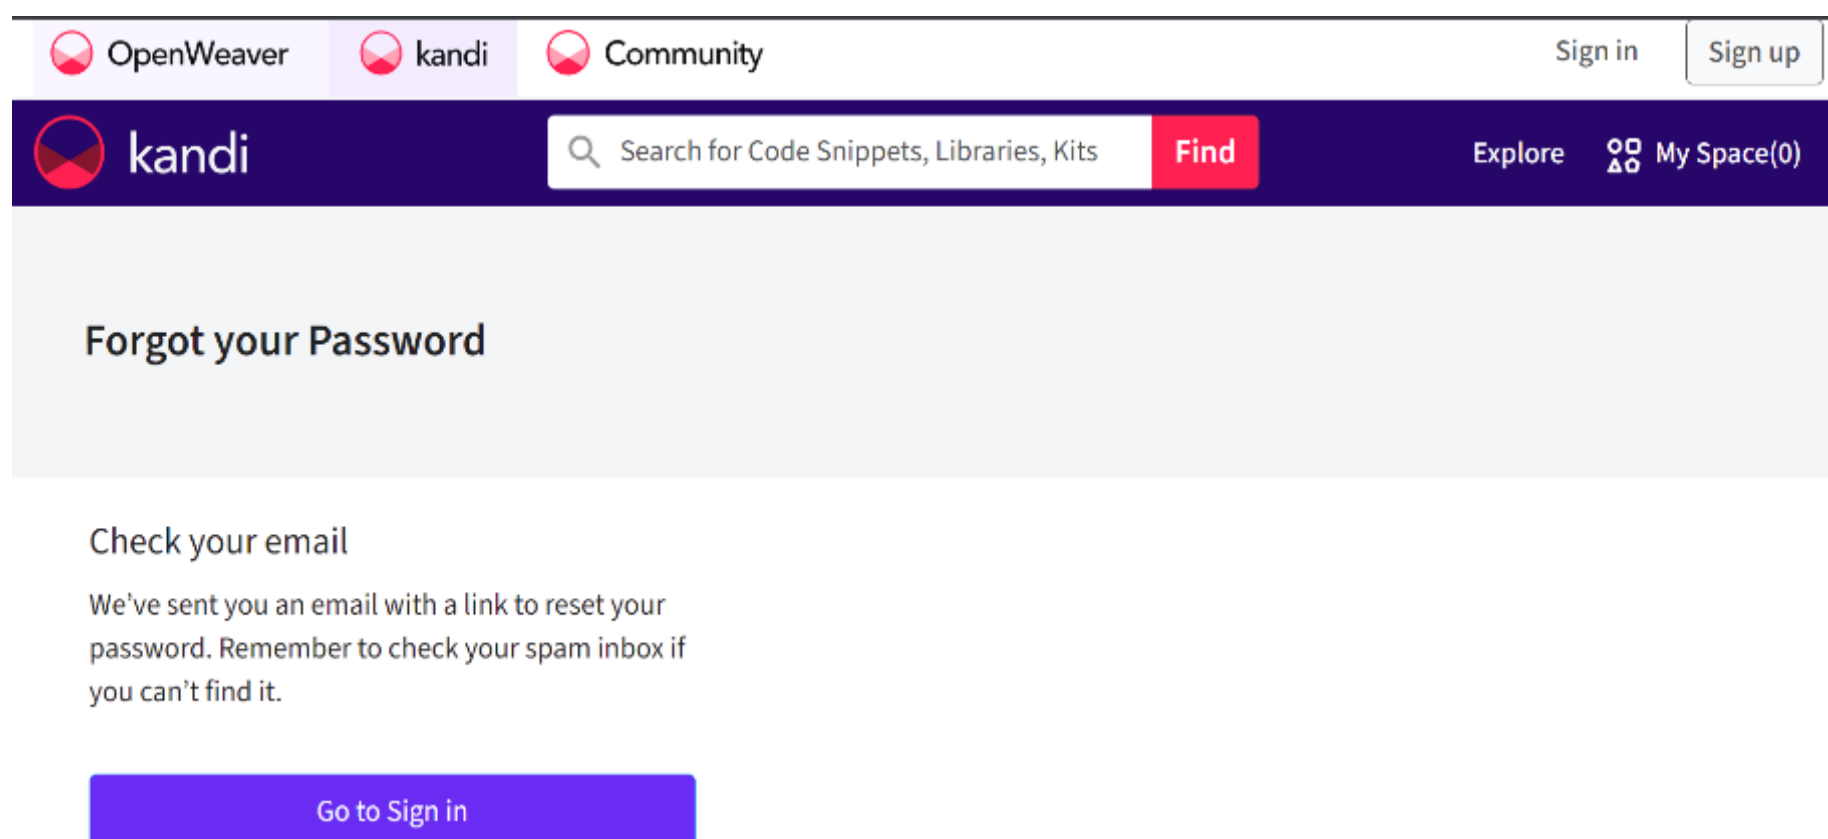

**STEP 3:** As we have already provided your registered email address exclusive access to your Virtual Internship Hub, you will be prompted to **Sign In** by resetting your password. To reset your password, click on **Forgot Password**.

**STEP 4:** Enter your registered email address and click on ‘**Email Reset Link**’. A password reset link will be sent to your registered email address.

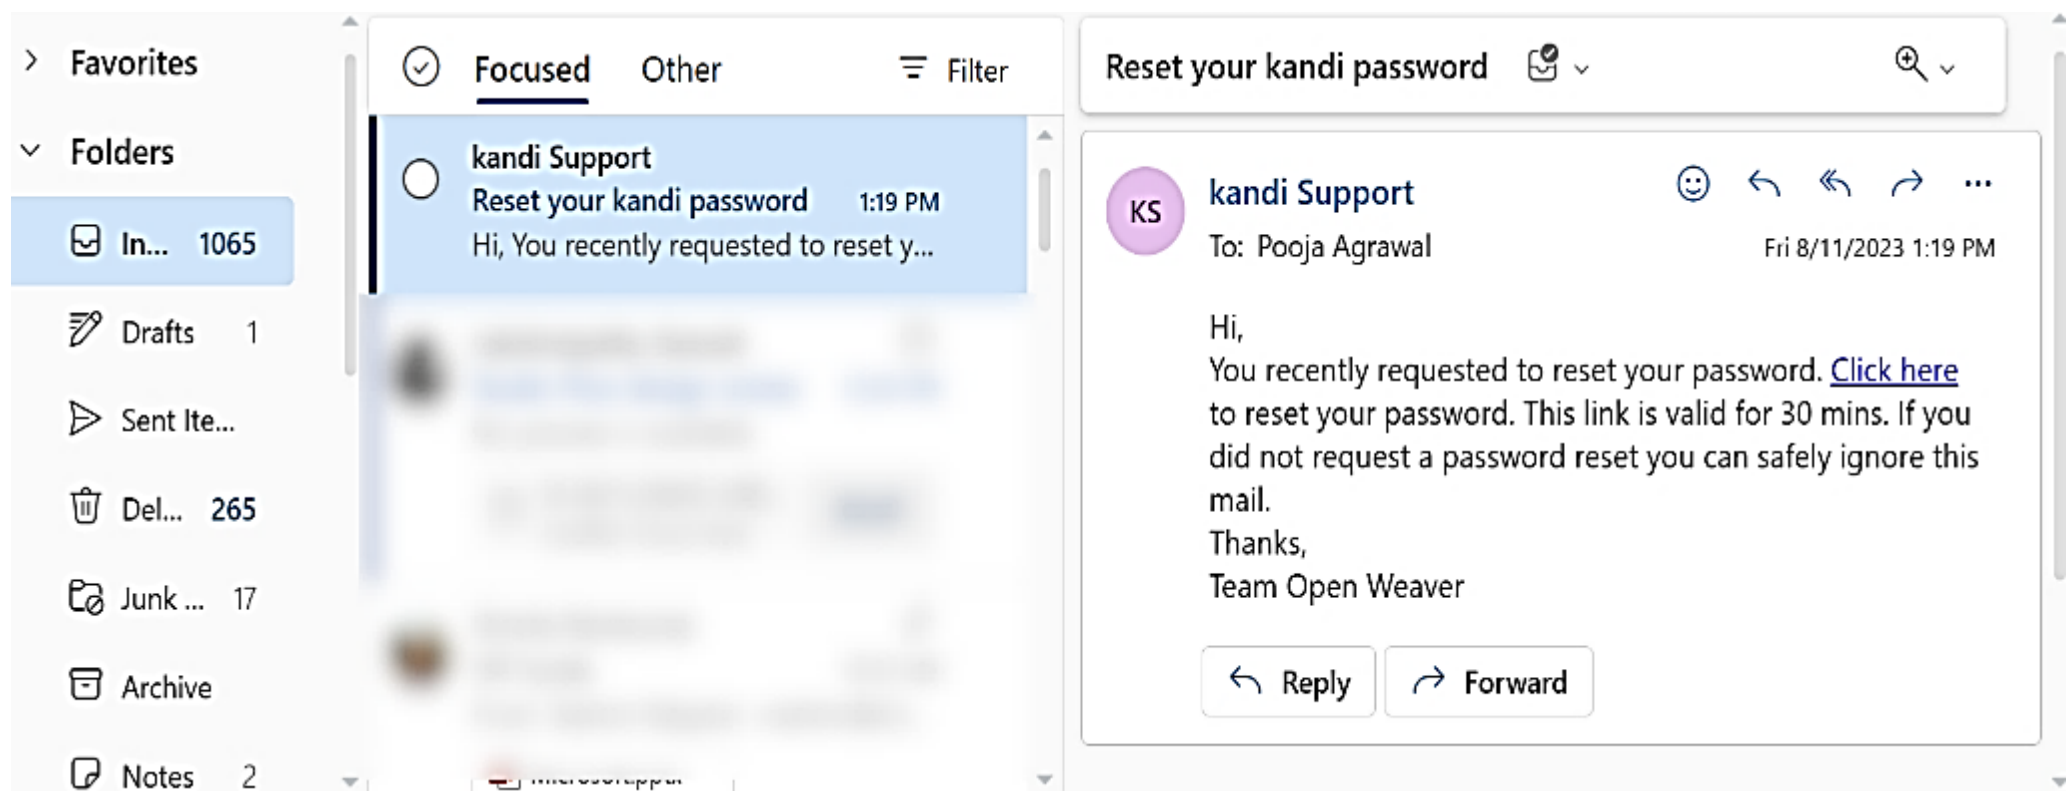

The screenshot shows the 'Forgot your Password' page on the kandi website. The header includes links for OpenWeaver, kandi, and Community, along with 'Sign in' and 'Sign up' buttons. The kandi logo is on the left, and a search bar is in the center. The main content area has the title 'Forgot your Password' and a text input field labeled 'Your Email' containing the email address 'pooja.agrawal@openweaver.com'. Below the input field is a blue button labeled 'Email Reset Link'.

The screenshot shows the 'Check your email' confirmation page on the kandi website. The header is identical to the previous screenshot. The main content area has the title 'Forgot your Password' and a section titled 'Check your email'. Below this, a message states: 'We've sent you an email with a link to reset your password. Remember to check your spam inbox if you can't find it.' At the bottom of the section is a blue button labeled 'Go to Sign in'.

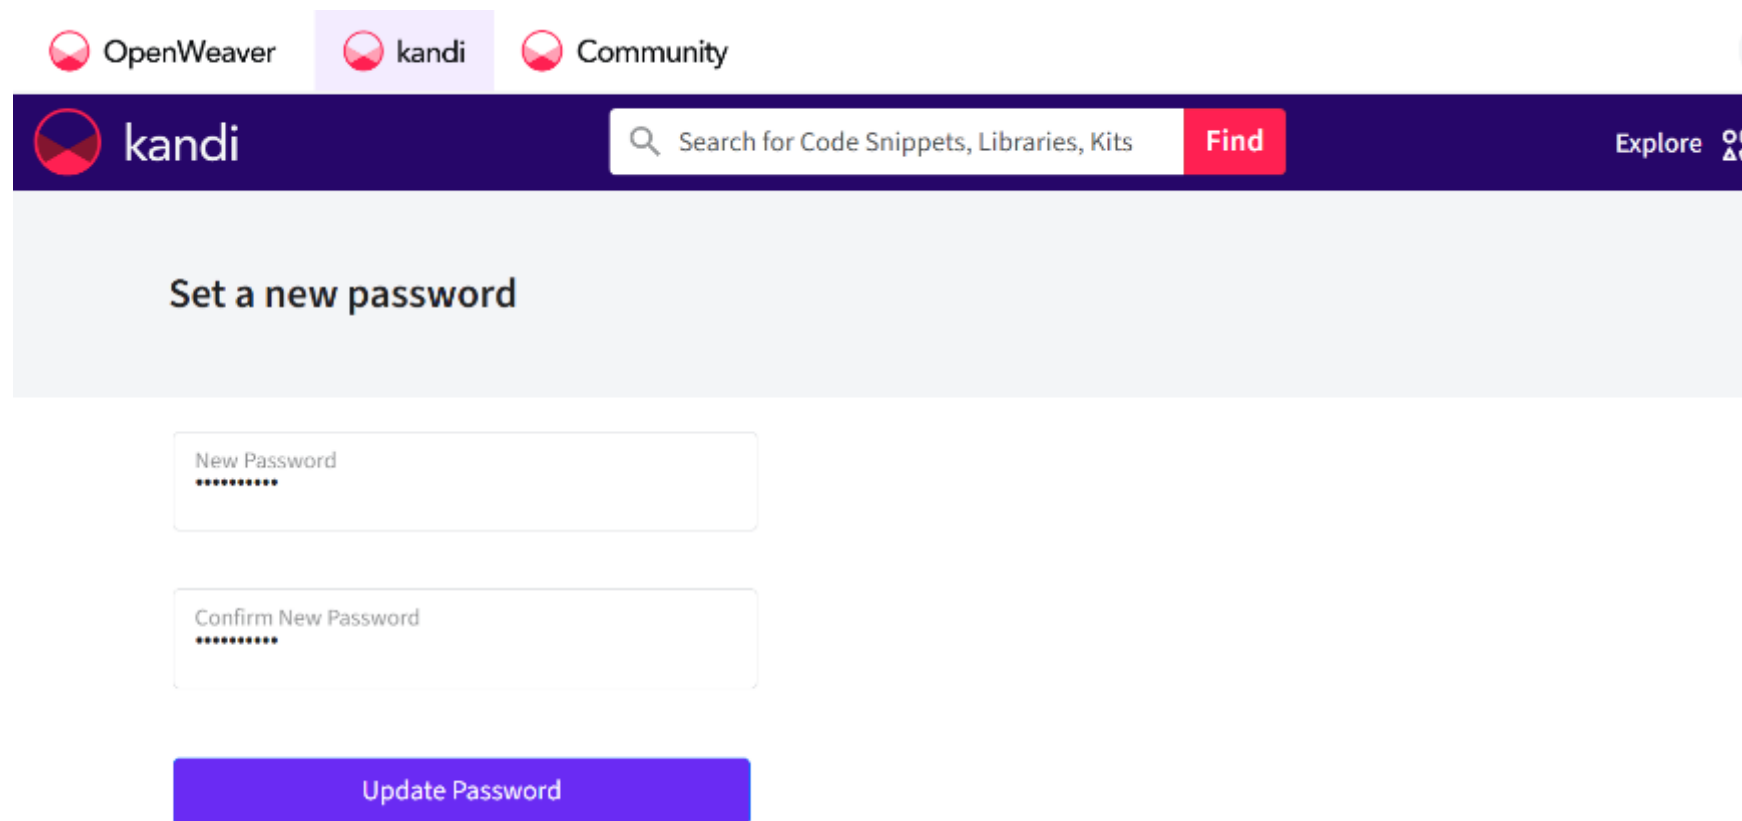

**STEP 5:** Check your email – you would have received an email from **kandi Support** with a password reset link. Check your spam folder if you are unable to find the email in your inbox.

**STEP 6:** On clicking the link, you will be prompted to **set a new password**. Set a new password with a minimum of 8 characters having a mix of letters and numbers.

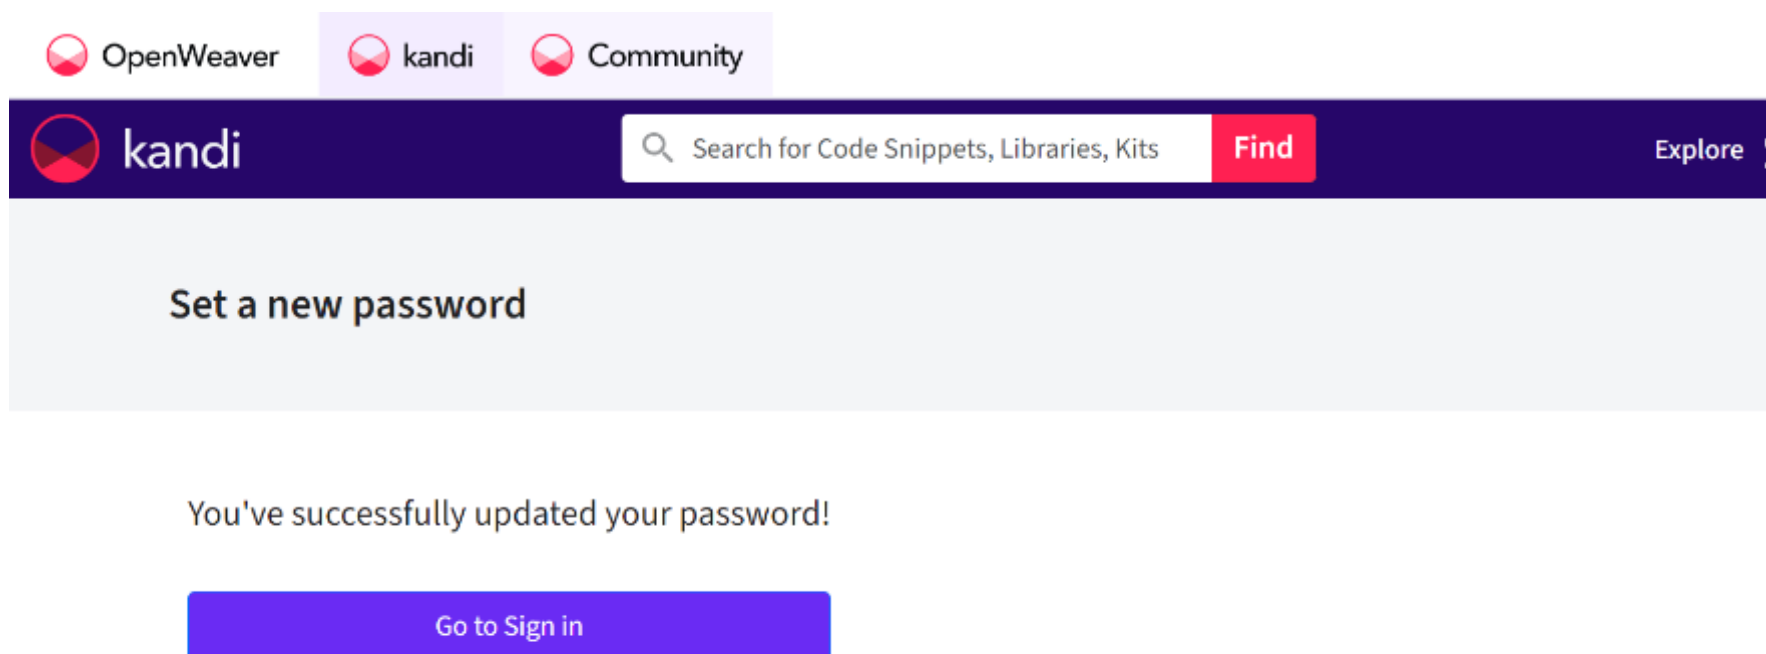

A screenshot of the 'Set a new password' form on the kandi website. The top navigation bar includes 'OpenWeaver', 'kandi', and 'Community' links. The kandi logo is on the left, and a search bar with the text 'Search for Code Snippets, Libraries, Kits' and a 'Find' button is on the right. The main heading is 'Set a new password'. Below it are two input fields: 'New Password' and 'Confirm New Password'. Between these fields are two bullet points: 'At least 8 characters.' and 'Mix of letters and numbers'. At the bottom is a purple 'Update Password' button.

**STEP 7:** Enter and confirm your new password and click on **Update Password**. You should see a message confirming your password has been successfully updated.

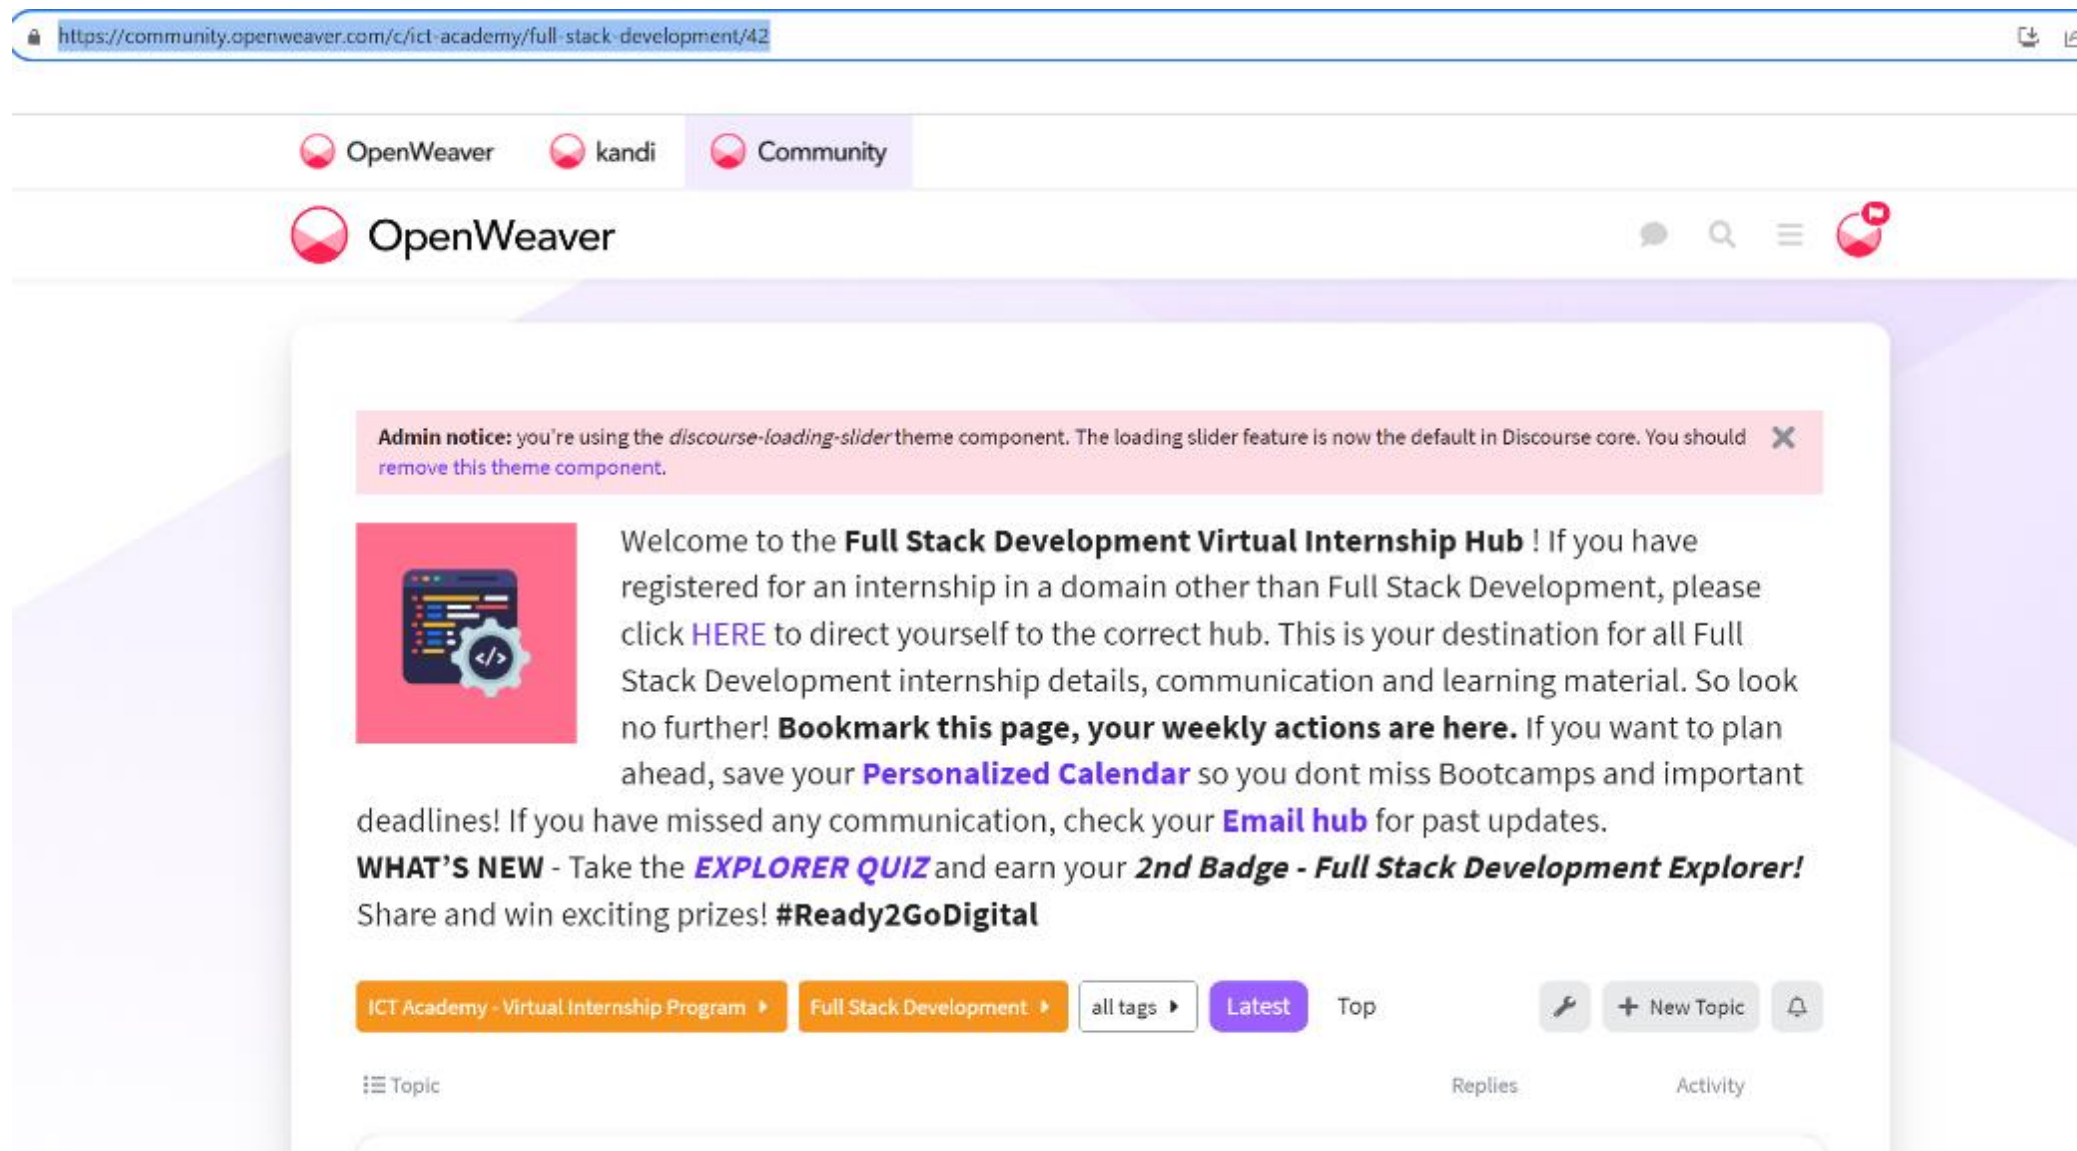

The screenshot shows the Kandi web interface. At the top, there are three tabs: 'OpenWeaver', 'kandi' (selected), and 'Community'. Below the tabs is a dark blue header with the Kandi logo, a search bar with the placeholder text 'Search for Code Snippets, Libraries, Kits', a red 'Find' button, and an 'Explore' link. The main content area is light gray and titled 'Set a new password'. It contains two input fields: 'New Password' and 'Confirm New Password', both with masked characters (dots). Below the fields is a blue button labeled 'Update Password'.

**STEP 8:** Go ahead and sign in using your registered email address and the new password you just set.

The screenshot shows the Kandi web interface after a successful password update. The top navigation and header are the same as in the previous screenshot. The main content area is light gray and titled 'Set a new password'. Below the title, there is a green message: 'You've successfully updated your password!'. Below the message is a blue button labeled 'Go to Sign in'.

**STEP 9:** On signing in, you will have access to your **Full Stack Development Virtual Internship Hub!** This is your destination for all Full Stack Development internship details, communication and learning material. So, look no further!

**STEP 10 : BOOKMARK this page!** Attend live bootcamps, participate in exciting quizzes, complete your coding projects and collect and showcase your BADGES all through!

**ALL THE BEST!**
